

Summary: FY 2010 Commerce, Justice, science and related agencies

2009 Enacted: \$57.7 billion
President's Request: \$64.7 billion (including overseas contingencies)
Subcommittee Mark: \$64.9 billion (including overseas contingencies)

The Subcommittee mark totals \$64.9 billion in discretionary budget authority for fiscal year 2010, \$7.27 billion above fiscal year 2009, excluding supplemental funding provided in the American Recovery and Reinvestment Act and the Supplemental Appropriations Act, 2009.

Priorities for the bill include:

- (1) Keeping America safe from terrorism and violent crime;
- (2) Investing in America's scientific infrastructure to create new technologies and new jobs; and
- (3) Ensuring a timely and accurate 2010 Census

Keeping America Safe from Terrorism and Violent Crime:

The bill provides a total of **\$27.38 billion** for the Department of Justice, which is \$1.29 billion above the enacted level, not including supplemental funding and \$311 million above the President's budget request.

- **State and Local Law Enforcement** – The Committee provides a total of \$3.16 billion for state and local law enforcement, which is \$63 million below the enacted level and \$412 million above the President's budget request:
 - \$510 million for **Byrne Justice Assistance Grants (JAG)**, state formula grants to assist local law enforcement
 - \$658 million for **Community Oriented Policing Service (COPS)** grants, including \$100 million for a COPS hiring program
 - \$407 million for **juvenile justice and delinquency prevention**
 - \$435 million to **prevent violence against women**
 - \$265 million to **prevent, investigate and prosecute crimes against children**
- **Bureau of Prisons (BOP)** – BOP is provided **\$6.08 billion**, which is \$92 million below the enacted level and \$2.4 million above the President's budget request. The Committee provides the full budget request for salaries and expenses for the Bureau of Prisons.
- **Federal Bureau of Investigation (FBI)** – The FBI is provided **\$7.9 billion**, which is \$612 million above the enacted level \$52 million above the President's budget request. Of that total, \$25.5 million is provided to hire at least 50 new special agents to investigate mortgage fraud, \$52 million to address internet crimes against children and a \$22 million increase for critical surveillance and mobility capabilities for national security and criminal investigations.
- **U.S. Marshals Service** – The U.S. Marshals Service is provided **\$1.15 million**, which is \$198 million above the enacted level and equal to the President's budget request. This includes \$35 million to support 100 new Deputy U.S. Marshals to implement the **Adam Walsh Act**.
- **Drug Enforcement Administration (DEA)** – The DEA is provided **\$2 billion**, \$75 million above the enacted level and equal to the President's request.
- **Bureau of Alcohol, Tobacco, Firearms and Explosives (ATF)** – ATF is provided **\$1.12 billion**, which is \$66.5 billion above the enacted level and equal to the President's request.

- **Crime Victims Fund (CVF)** – The bill permits the expenditure of **\$705 million** from the CVF for grants to assist victims of crime. This is \$70 million above the enacted level and \$5 million above the President's request.

Investing in America's scientific infrastructure to create new technologies and new jobs:

The bill provides a total of **\$14.04 billion** for the Department of Commerce, which is \$4.77 billion above the Fiscal Year 2009 level, not including supplemental funding and \$254 million above the President's request.

- **Office of Science and Technology Policy (OSTP)** - The bill provides **\$6.15 million** for OSTP, equal to the budget request.
- **National Aeronautics and Space Administration (NASA)** - The bill provides **\$18.68 billion** for NASA, \$903 million above the Fiscal Year 2009 level, not including supplemental funding and equal to the President's request. The total funding includes \$3.16 billion for Space Shuttle operations; \$2.27 billion for Space Station operations; \$3.5 billion for development of the next generation Crew Launch Vehicle and Crew Exploration Vehicle and Cargo Launch Vehicle; \$4.5 billion for science; and \$507 million for aeronautics research.
- **National Science Foundation (NSF)** - The bill provides **\$6.9 billion** for NSF, \$426 million above the Fiscal Year 2009 enacted level, not including supplemental funding. The total includes \$5.55 billion for research, \$122 million for research equipment and facilities; and \$857 million for education activities.
- **National Institute of Standards and Technology (NIST)** – The bill provides **\$878.8 million** for NIST, which is \$59.8 million above the Fiscal Year 2009 level enacted level, not including supplemental funding and \$32.7 million above the President's request. The bill provides \$69.9 million for the **Technology Innovation Program (TIP)**, equal to the President's request. The bill also includes \$124.7 million for the **Hollings Manufacturing Extension Partnership (MEP) Program**, equal to the President's request. Funding TIP and MEP are consistent with the recommendations of the America COMPETES Act.
- **National Oceanic and Atmospheric Administration (NOAA)** – The bill provides more than **\$4.77 billion** for NOAA, \$407 million above the Fiscal Year 2009 level, not including supplemental funding and \$299 million above the President's budget request. The Committee bill includes: \$551 million for the **National Ocean Service**; \$980 million for the **National Weather Service**; \$872 million for the **National Marine Fisheries Service**; \$1.2 billion for satellite programs; and \$430 million for Oceanic and Atmospheric research, including climate science.
- **Patent and Trademark Office (PTO)** – The bill continues the policy of providing PTO with full access to fees collected from inventors, estimated at \$1.9 billion for Fiscal Year 2010.
- **National Telecommunications and Information Administration (NTIA)** – The bill provides **\$39.9 million** for NTIA, including \$20 million for the **Public Television Facilities Planning and Construction (PTFPC)** grant program, equal to the President's request.

Ensuring a timely and accurate 2010 Census:

- **Bureau of the Census** – The bill provides **\$7.3 billion** for the Census Bureau, \$4.2 billion above the Fiscal Year 2009 level and \$50 million below the President's original budget request. This level provides full funding for the 2010 Census.

Other Important Programs:

- **Commission on Civil Rights** – The bill provides \$9.4 million, equal to the President's request and \$600,000 above the enacted level.
- **Equal Employment Opportunity Commission** – The bill provides \$367 million, \$23.4 million above the enacted level and equal to the President's request.

- **International Trade Commission** – The bill provides \$82.7 million, \$7.6 million above the enacted level and \$1.4 million above the request.
- **Legal Services Corporation** – The bill provides \$400 million, a \$10 million increase above the enacted level.
- **Marine Mammal Commission** – The bill provides \$3.25 million, which is \$250,000 above the President's request.
- **Office of the U.S. Trade Representative (USTR)** – The bill provides \$48.3 million, \$1.05 million above the enacted level and equal to the President's request.
- **State Justice Institute (SJI)** –The bill provides \$5 million, \$900,000 above the enacted level and \$131,000 below the President's request.
